## **Parents Mental Health Training 1st November**

Following on from the success of the session that was run at FBS last year we are pleased to inform parents that we will be running another session of Mental Health Training for parents on 1st November from 5.30pm to 6.30pm. This session aims to provide parents with information relating to young people's mental health and how to encourage/support positive mental health in young people.

This session will be organised and run by the mental health charity ReThink and was very positively reviewed when run previously.

The session will be run at Beaumont Avenue and if parents wish to attend they are asked to email school at [info@fulhamboysschool.org.uk](mailto:info@fulhamboysschool.org.uk) to confirm their attendance. Please note that the content covered will be the same as the previous session that was run.
