11th September 2017

Dear Parents/Guardians

I hope you had a nice summer. Welcome back to parents in year 8, 9 and 10 and a warm welcome to year 7 parents.

I hope your son has not found his first few days too overwhelming. The school site is much bigger than last year and will take all of us several weeks to get used to it and to ensure our systems are slick and efficient.

The site is amazing and while it is operational at the moment the aim is to have it 'ship shape' by Open Evening on 3rd October. There will also be an opportunity in the next few weeks for you to have a look at the new facilities.

Weekly Foci

The Enterprise skill of the week is 'Have a go attitude' and our Christian value of the week is 'welcoming'. Please help us to reinforce these at home.

School Drop off/Pick up

Can I ask you all to be considerate of our local residents when picking up and dropping off your sons to school.

School Development Plan

Please find attached a summary of the school's development plan to give you an idea of the school's aims and objectives this year. Your son has this in the front of his planner.

Start of Year Service

On Friday we have our whole school start of year service which all boys are expected to attend. If you have any issue with this that you would like to discuss please make an appointment to come and see me in the school if you are in year 7, and write to me if you are in year 8, 9 and 10. This needs to be done before Friday.

Uniform and Appearance

As we have always made clear The Fulham Boys School has as strict uniform and appearance policy. By now all issues with hair should have been resolved and I have met with Sogans who assure me that all blazers and school bags that are on order will be in the shop by Wednesday. Therefore, all boys should be in perfect uniform by Thursday at the latest.

Wet Days Arrangements

On wet days parents are asked not to send their son to school until 8.15am if possible. At 8.15am boys in Liddell, Brunel and Dickens are allowed to sit in their form rooms and read quietly and Wilberforce will sit quietly in the hall at Gibbs Green. Please can parents reinforce the importance of self-discipline and looking after their form rooms and treating the form rooms and hall with respect. At lunch time on wet days boys can go to the library, play indoor table tennis and attend other clubs that may be running at lunchtimes.

Parent Pay

This is a reminder that payments to school for lunches, trips etc. must be made online through Parent Pay: www.parentpay.com.

Parent Pay registration letters were sent out to parents of year 8, 9 and 10 at the beginning of the summer holidays. Letters to year 7 will be sent out this week. If you have not received a registration letter please contact Ms Ansah, Finance and Data Officer by email s.ansah@fulhamboysschool.org.uk.

Year 7 Chromebook Devices

Chromebook devices that have been ordered and paid for by year 7 parents will be issued to boys on Tuesday 12th September in the afternoon. Boys will be told not to take the devices out of the cases/boxes until they get home. Boys that have a device will be expected to bring it to school charged every day from Wednesday 13th September onwards.

Mr Kellie would also ask parents of those boys who have not signed up for a device to get in touch as soon as possible to ensure that their son has a device which they can use both in and out of school.

If any year 7 parents have questions or queries about the devices they can email Mr Kellie (Deputy Head Teacher) directly on s.kellie@fulhamboysschool.org.uk
