Dear Parents/Guardians

I hope you had a good half-term break.

Weekly Foci

The Enterprise skill of the week is 'Boundary pushing'; our Literacy focus of the week is 'Silent letters'; the Teaching and Learning focus of the week is 'Literacy' and our Christian value of the week is 'Endurance'. Please help us to reinforce these at home.

Attendance and Requests for Leave of Absence

I would like to remind all parents of the procedures for reporting absences from school. We request that all parents contact the school by phone or email on the first day of absence so that we are aware of the reasons for a boy being absent from school. We also request that boys are provided with a written note to give to their form tutor when they return to school outlining the reasons for the absence, this written note will then be added to their physical school file for records purposes.

If for any reason you wish to make a request for your son to have any time out of school, it is vital that written requests are addressed to me. These will only be considered and authorised under exceptional circumstances.

Accelerated Reader Information Session

Mr Jeeps is running an accelerated reader information session for parents at 3.15pm on Friday. This follows the letter regarding reading ages sent home before half term.
